Gift Of Memory

The Gift of Memory is Very Precious...

It helps us taste the pleasures of life,
Long after they have passed our lips.

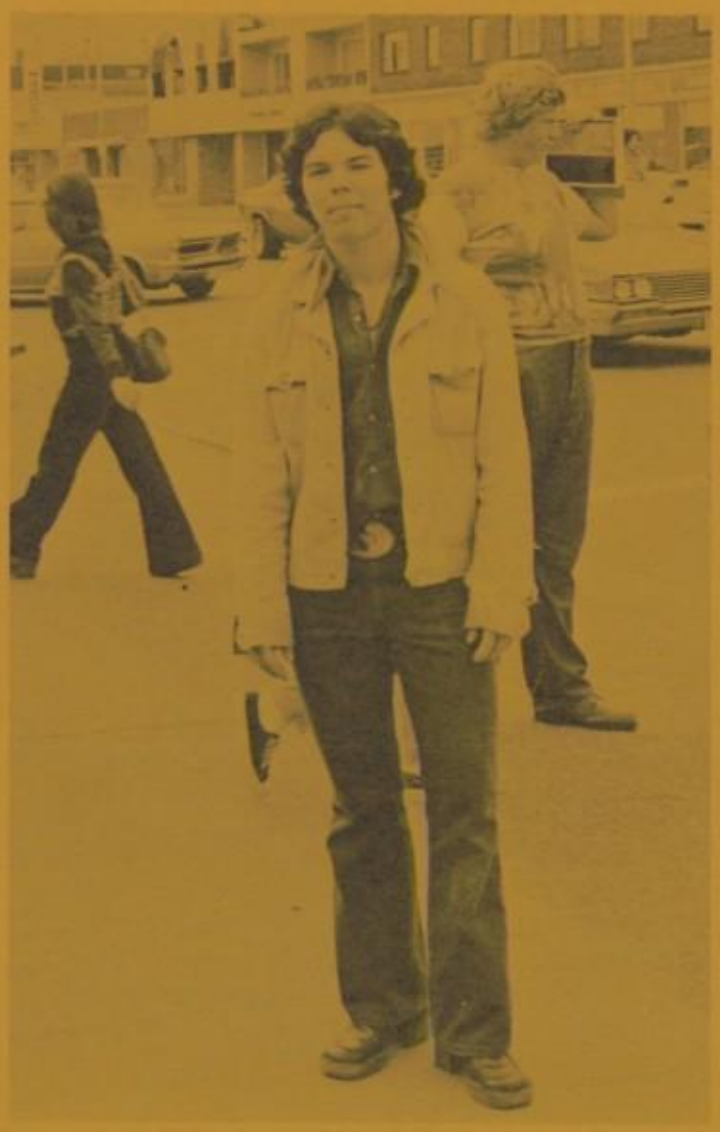
It brings back the dear features of those
gone for awhile.

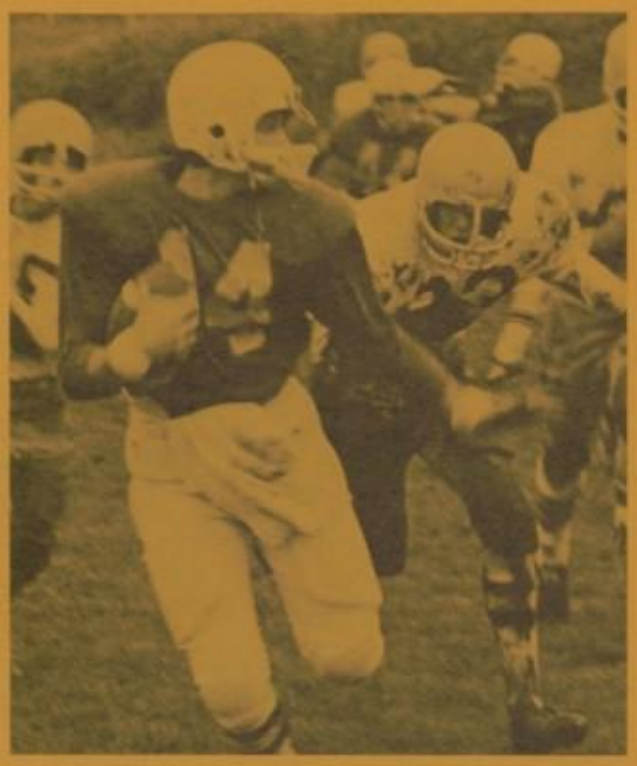
It preserves us from the super facilities
of today and the airiness of tomorrow,
by giving us the depth and wieght of
yesterday.

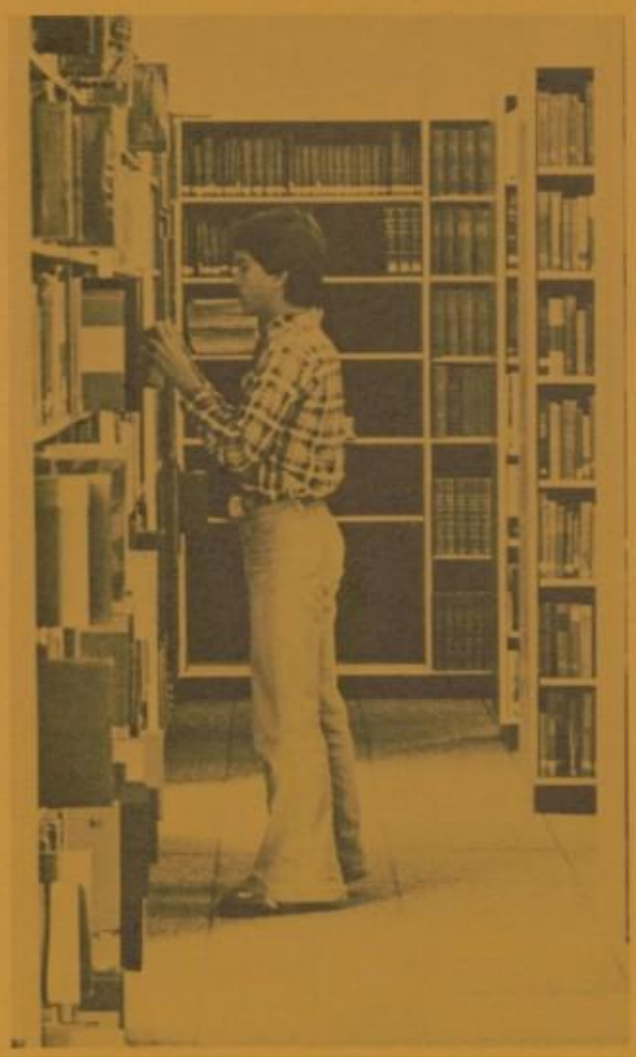
It tempers the on rush of the present,
and the allure of the future, by the
wise whispers of the past.

Remembering . . .

The First Days . . .

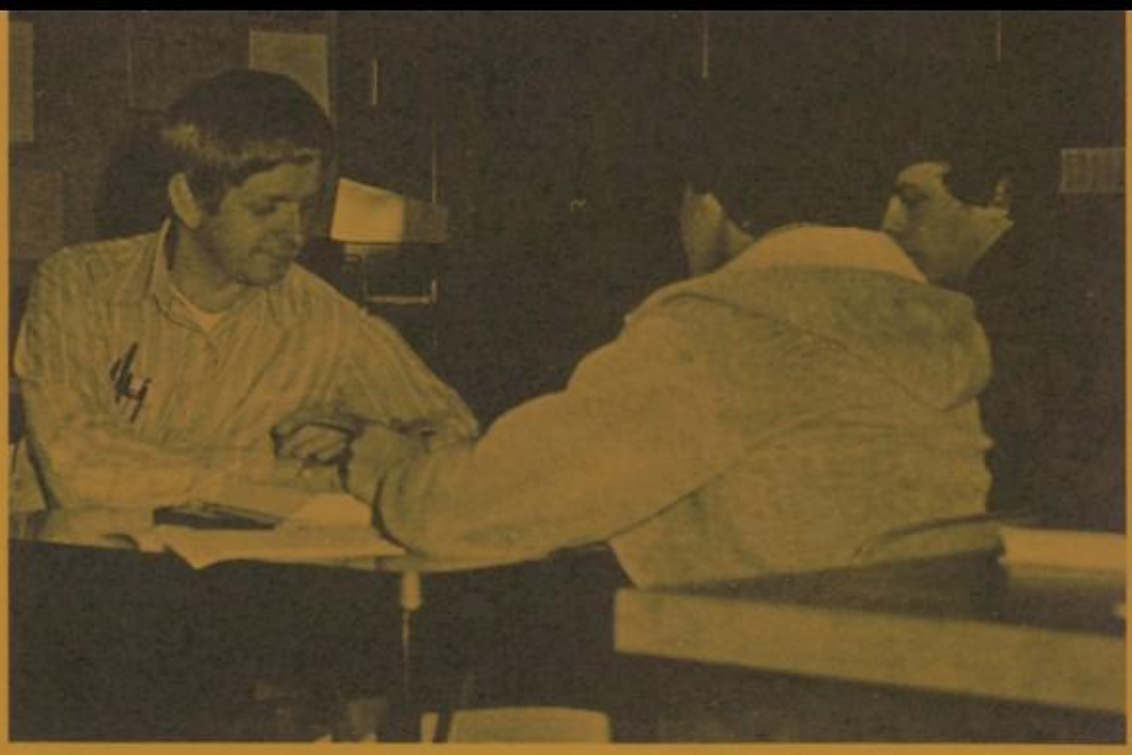


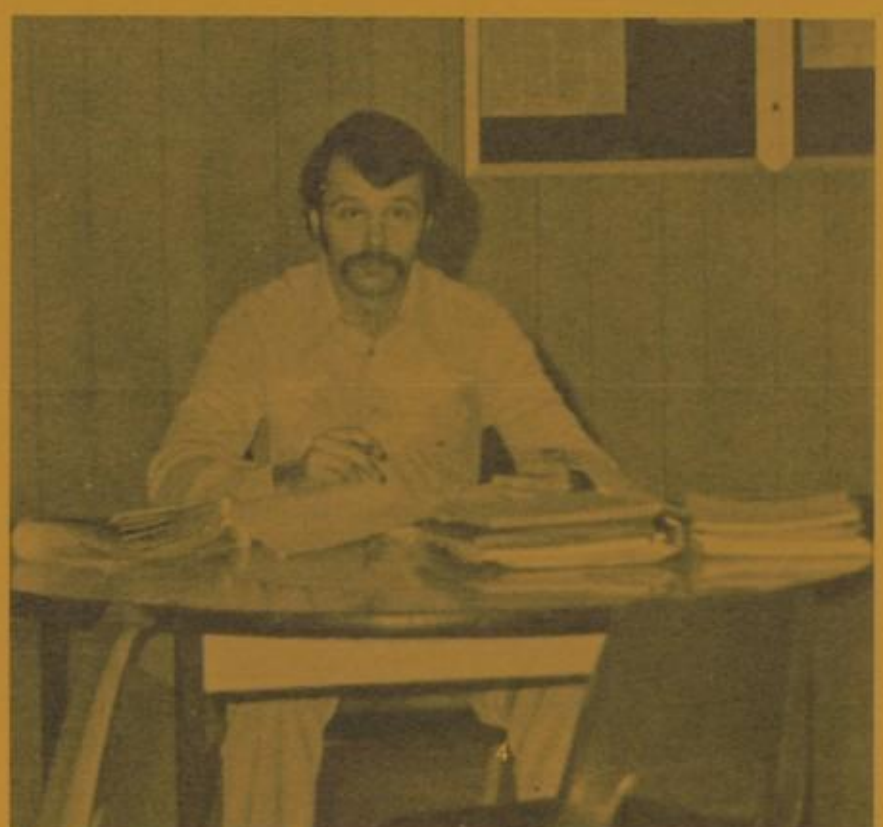




The Work We Did . . .

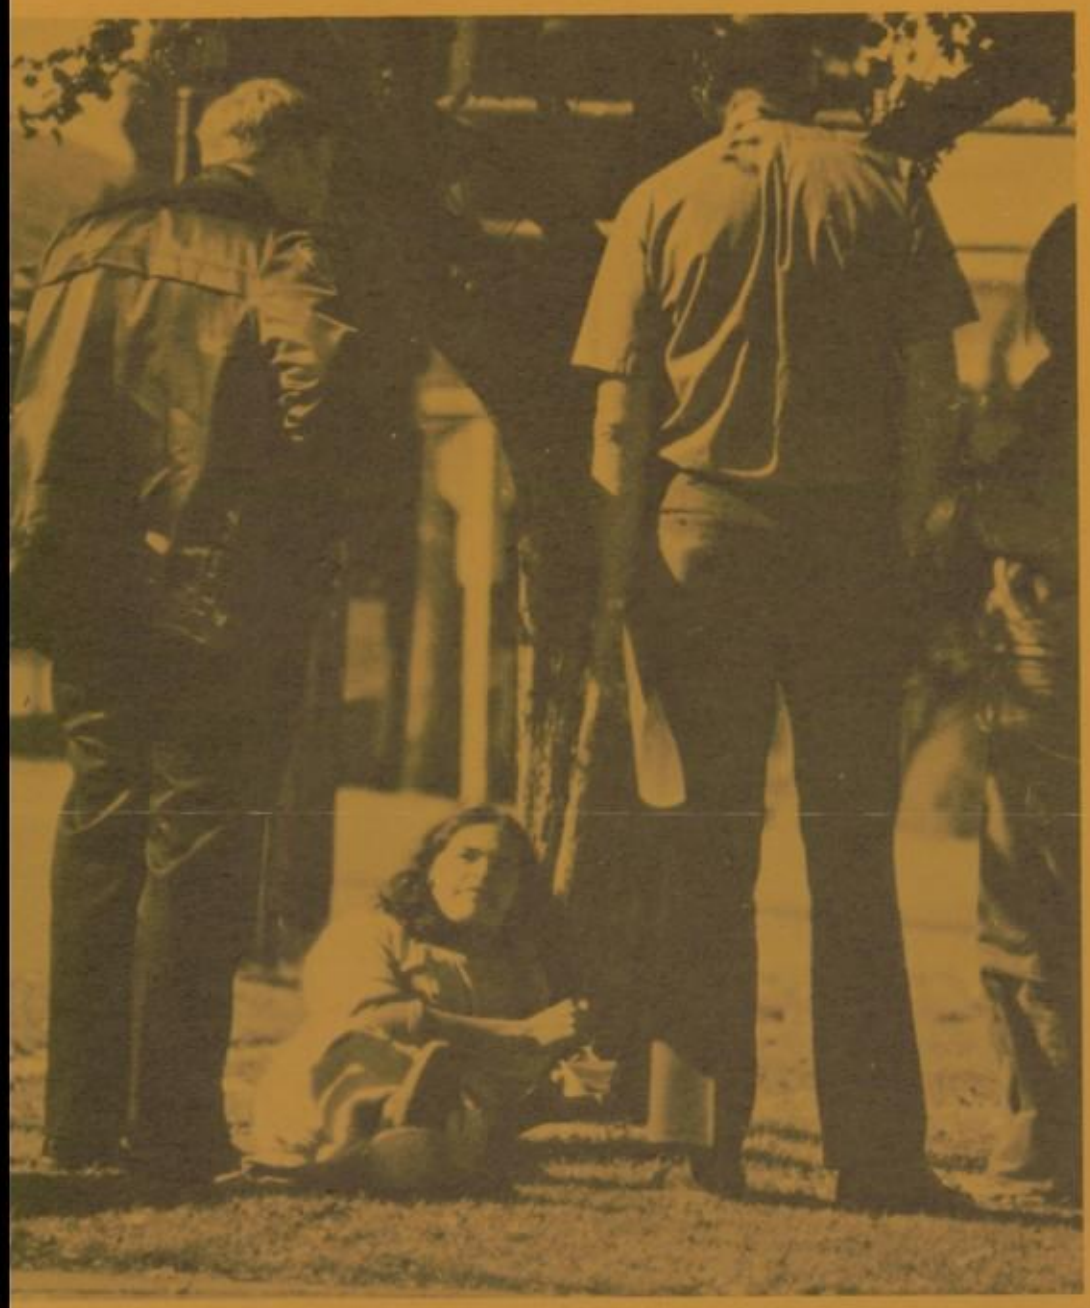
The Teachers Who Helped Us . . .



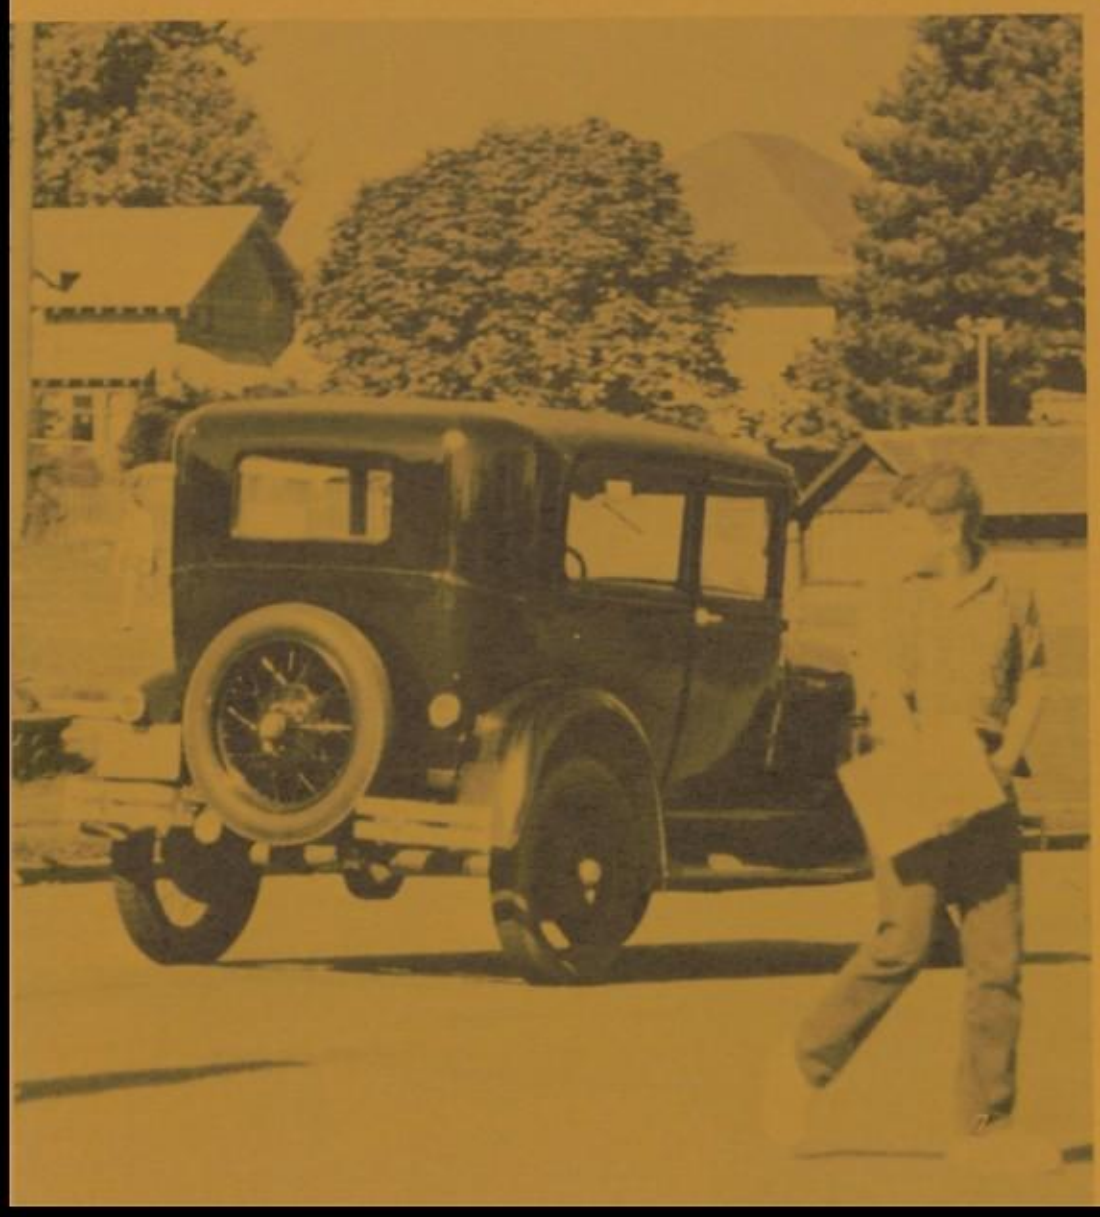


. . . The Spirit We Had . . .

The Fun Of It All



The People We Knew . . .



The Anticipation Of The Future

Girls Club Tolo

The Everett High Girls' Club Tolo was held on November 20th in the high school gym. The theme for this years tolo was "The Mad Hatter", and the band was Thunder Road. A variety of hats and balloons and streamers decorated the gym. At intermission prizes were awarded to Kathy Spooner and John Petosa for best costume, and second place went to Ellen Peterson and Vince Smith.

While the dance could not be considered a financial success all of the couples that attended the dance agreed that it was a dance to remember.

The play starred Scott Zinter as Erwin Trowbridge. One day, Erwin, who was fed up with his wife, Audrey(Lori Rathbun and his brother-in-law Clarence (Dan Nelson), decides to go to a saloon instead of going to work. There he encountered three gamblers (Chris Snyder, Steve Heiret) who are having some trouble picking the winning horses. Erwin loudly proclaims that he hasn't missed a winner in six months, which was true, but Erwin did it all on paper. He soon finds himself picking horses for the gamblers, who are winning constantly. Erwin's not showing to work frustrated his boss, the president of the Holly Cheer Greeting Card Company, J.G. Carver, to the point of a personal investigation into his disappearance. He needed Erwin's greeting card poems and he was sure that his competitors had kidnapped him. Eventually, through a great changing of events, the big race was won, Erwin's boss is doubling Erwin's salary, and Erwin swears off gambling forever.

The Sound Of M

1

Everett High School's 23rd Annual Spring Operette "The Sound of Music" by Richard Rogers and Oscar Hammerstein II opened March 24-26. It originally was performed in New York on November 16, 1959, and although it is 17 years old, it still is one of the best loved of all musicals. Some of the best known songs from the production are; "Climb Every Mountain"; "Do, Re, Mi"; "My Favorite Things" "Edelweiss" and the title song, "The Sound of Music".

The pep assemblies this year were more alive and invigorating than in any of the past years. The Freshmen took one pep assembly before they caught on to what they were about, but after they caught on the rest of the student body saw a very spirited group of baby seagulls. After a student from another school sits through one of our pep assemblies, they know why we are called the School of Champions.

Happiness is Homecoming ... these two pages show happiness of many different kinds of people.

On page 100 picture #1 shows how much spirit and fun they have during homecoming. #2 We know who is tough, we don't have to show'em. #3 Right up to the last year the class of 77 will have spirit for Everett High. #4 Even the Freshmen might some day have spirit.

Page 101 picture 1 Doreen will never forget this time in here live. #2 The Band shows spirit by coming to all of our games and they showed spirit in half time.

Homecoming Is Coronation Displays

Homecoming is a combination of things. The emotions and reactions of the former students coming back to their old high school, the anticipation to the student body, the thrill of the girls who were picked as the homecoming court and the memories of those who didn't and the ultimate mental preparation of the football players. All these responses are what makes homecoming special.

The 1976 Everett Seagulls, following the "75" Comeback Kids WESCO Champions, will be fondly remembered as the "Every-other-week kids". Because of a combination of many factors such as the schedule itself, injuries, strikes, etc. This year's Seagull varsity was unable to put back-to-back victories together and thereby defend their 1975 WESCO Crown. The Gulls were not without spirit and spunk, as they did manage 5 victories against 4 losses-two of which were at the hands of 4 AAA State-playoff teams.

J.V.'s Prepare

Although the 1976 J.V. football team did not come away with an impressive record; (1-4) they did show a great deal of improvement. The J.V. program is primarily to develop underclassmen for their varsity play. This year there was some promising signs that the shoes of the graduating seniors will be filled by very capable young men with the Seagull dedication necessary.

This years annual powderpuff was one that the senior class of 77 will remember as one of the best in form plays, and score. The girls from Cascade said that of all the games they've played, the girls this year were by far the roughest. It was a very close game but unfortunately Everett was defeated 38-36. All Everett touchdowns were scored by Joey Smith, and Joe Metzger, and Bev Chandler. All the girls did fantastic and should be proud of the way they played and defended Everett's honor.

Has Challenging Season

4

The Everett girls volleyball team was certainly one of the most competitive teams in the entire conference and were a contender for a District Birth, right up till the final match of the season. Led by captain Jo Metzger the girls showed outstanding net play and good hustle. Under the setting ability of Judy Crippen and Teresa Springer, a new offensive system was employed that allowed greater versatility for the entire team. Next years team will be co-captained by Kathy Dahl and Meg Metzger, and all the girls who will be returning are hoping for a better season next year.

Girl's Tennis

3

After a disappointing start, the team picked up momentum and won several matches including a 4-3 upset over Marysville-Pilchuck. This year's squad was very young and even though it lacked experience, it did a fine job ending with a 6-3 conference record. The 1976 season marked the first year of playing 7 matches allowing 10 girls to play.

A highlight of the season was Pat Chickering's for District play. With all but senior Lisa Sievers and a fine group of J.V. players returning, the squad is looking forward to next year.

Swimming

4

The '76 season was the best in the short history of girls swimming. All 10 of the school records fell during the season. In terms of spirit and dedication the girls were unsurpassed. Although unable to improve their standing in the conference over last year, the EHS Girls Team was one of the most improved squads in the league. The motto for the year, "To be a champion you have to give it all you got" was carried out through the season and the girls will always remember how they were part of a team giving it all and being a # 1 Champ.

The team will lose only four seniors and with 8 returning lettermen will look forward to continue the growing tradition of girls swimming at Everett High.

Everett High introduced soccer on a Varsity bases for girls this fall and our girls won the conference convincingly. Twenty two started and nineteen finished the season. Our squad consisted of sixteen sophomores, one junior, and two freshmen. Our 10-1-1 record was due largely by the scoring efforts of Kathy Solie, Kelly Crippen, and Diana Struble. The outstanding field play and assists of Debbie Petitclerc plus the tight defensive play by the rest of the team was to reflect in their record. The girls should be contenders for the next couple of years as all are underclassmen. Next years team will be led by co-captains Kathy Solie and Kathy Lewis.

VARSITY BASKETBALL The Everett High basketball team started its season with a convincing win over a big and strong Anacortes team. The E.H.S. team followed with a loss to Woodway, but came back with an exciting win over the arch rival. Cascade. After losing a close game to Mariner, they defeated Lake Washington in a non-conference game. This year's team was comparably small to other teams in the Western Conference. They overcame this disadvantage with hustle and enthusiasm play. By employing though, full count defence, the team was able to play evenly with all competitions.

Still Wesco's best team after 4 years. Some one might think that after losing many good seniors the team might be hurting. "No way!" "We'll show um." And that's just what they did. Joe Metzger and Judy Crippen are two great leaders who set excellent examples for the rest of the team. Even with so many qualities to their credit, no one person contributes more morale and hard work than Delores Sutherland. She drives them to work hard cause she knows they're the very best.

Girl's

Gymnastics is a very challenging and demanding sport. It takes a great amount of muscle coordination and self control. It truly is a sport that takes practice to be perfect. Our team wasn't perfect this year but it was the best team Everett High had to offer.

The 1976-77 Boy's Swim team, under the leadership of captains Jim Trask and Joe Root, showed a remarkable improvment over last years record. The team has the depth and a lot of strength and potential in the ranks of the underclassmen. Coach Bennett summed up the season like this-"We worked hard, won a few meets, and had a lot of fun. Thats what it's all about, isn't it?"

This years boys Wrestling team consisted of 35 boys; 15 which are on Varsity and the rest of the 20 boys are on the J.V. Some of the boys did not stay with the team, because they could not adjust to Mr. Jacksons philosophy of coaching. Each match is timed, they only have 5 minutes to finish but if they don't, the boy who has the most points wins. At the end of all the matches the points are added up and they announce the team that won the match.

Everett's season isn't what we had hoped it might be at this halfway point in our schedule. Our record to date is 2 wins- 1 tie- and 6 losses, 3 of which were by 1 goal. Highlights include a 2-1 win over Lynnwood. It's sensational to see the improvement of our Freshmen of whom are pushing for starting positions, right along with a strong crop of upperclassmen.

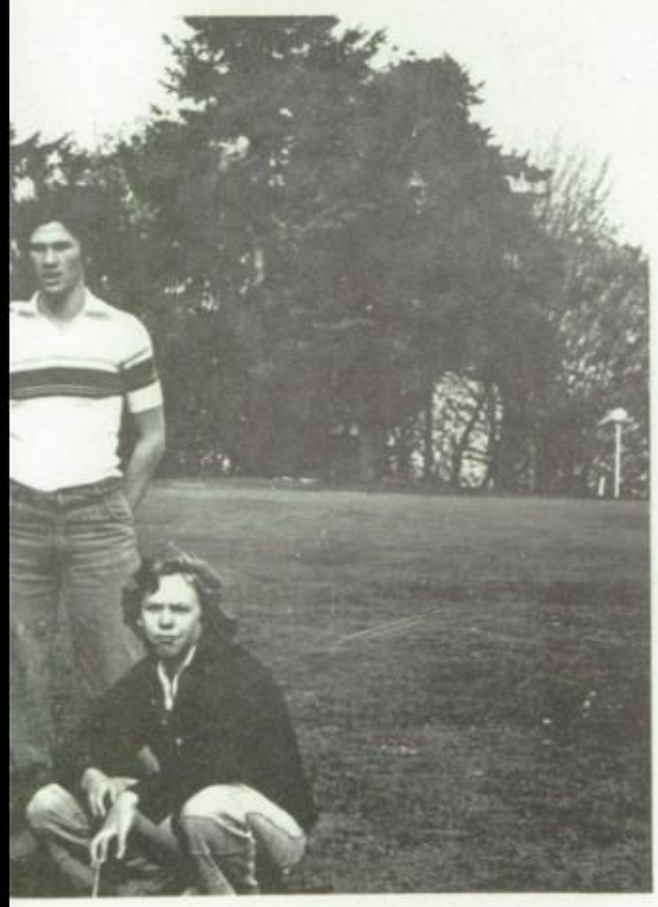
The Everett High Golf Team is one of the strongest teams Everett has ever had. The team has many outstanding players led by four year Letterman, Luke Wilson (captian) and Jeff Erickson. The team is currently undefeated and leads the Western Conference. In the 32 team Yakima Invitational, Everett took third place.



6

Desire and self-disipline made for a successful season. They improved a great deal this season. There were many outstanding performers, as Chris Greso whom set the school record on the side horse. Sophomore Pat Smith was the teams All-Around. He set a new record on the high bar and vault. Only three Freshmen turned out this year, and they were Mark Uhl, Mike Matheny and Ron Rice. Gymnastics requires total body control and coordination. Gymnastics also serves as a building block for many other Athletic Activites

The E.H.S. Girl's Track Team had many fine individuals performing this year. Senior, Joey Smith is defending long jump champ of Wash. State. Junior Debbie Walker is a real good sprinter with relay experience. Junior Candy Timm leads the distance runners and one of the premier sprinters in the Wesco is Sophmore Paula James. Cathy Trask, Julie Musladin, and Diane Struble could develope into top 440, 880 runners. The 1977 Team could do well at district, as well at state if the squad members stay healthy and perform to their potential. Next years team should be equally strong with only 2 graduating in 1977.

Boy's Tennis

The E.H.S. Boys Tennis Team had another very successful tennis season under the leadership of captain and four year letterman, Bill Ingram. The Seagull net team has also been strong because of marked improvement by teammates Bennet Slusarz, Tom Skalley and Tim Pyle. "These guys were freshman my first year of coaching. They have taught me a lot in the past four years, and I will certainly miss each of them on next years team" said the teams coach, Pat Barrett. They have done so much to culture an interest in tennis for the J.V. players who will become next years varsity team.

Junior Prom '77'

The Junior class girls worked hard this year to make the Junior Prom a success, and it was. The Prom took place on Saturday, April 23rd, in the Everett High School Gym. This years theme was "Dancing in the Moonlight." Everyone seemed to enjoy themselves as they danced to the music of "Reflections."

TO THE SENIORS

Another year goes passing by
Another Prom is here
To some this brings a joyeous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the Class of "77"
We dedicate our Prom.

ASB OFFICERS

This year's EHS student body saw many changes, such as a new class called Student Government. This class enabled the ASB officers, Girls' and Boys' club officers and class officers to meet daily and discuss student body issues.

Several new committees were formed; such as the Student Lounge Committee which resolved problems like getting a new pop machine and remodeling the student lounge, the Food Advisory Committee which stimulated improvement in the lunchroom, also the Executive Council which was formed to look into issues with more detail then the legislative assembly was able to do. The ASB officers were also active on the newly formed inter-high council that involved five other schools from the Northwest Conference.

BOYS' CLUB

The Boys' Club has been a part of EHS for decades. In such time they have provided a service to the community as well as Everett High. Through such service, the Boys' Club has kept in stride with the reputation they have acquired through the years. This year's Boys' Club is no exception. We started off the year with Homecoming. The Boys' Club provided escorts for the candidates as well as helping to make Homecoming a big success. The Boys' Club also provided the community with such services as delivering Thanksgiving baskets to needy families.

GIRLS' CLUB

Early in the fall the Girls; Club sponsored a tea for all girls new to Everett High. The purpose of this tea was for them to meet upperclassmen, learn school cheers and see some of the fashions that were new for fall. The Tolo and Homecoming dance kept the cabinet busy during October and November. Their annual service project is the Basket Drive. This year it occurred at Thanksgiving. With the help of the entire Student Body, money and food items were collected, the members of the Girls' and Boys' Club delivered the baskets to 40 needy families in the Everett area.

Salutes The Seagals

The Seagals are a Drill team and a spirit group. They help support various teams by going to the games and cheering them on. This year the Seagals had a banquet for the football team during the Homecoming. They also marched in the homecoming parade. The Seagals also sponsored the homecoming display sign competition and drilled at half time during football.

The Seagals are sponsoring the cupids couple competition and dance which was held on Feb. 4. This spring the Seagals will be competing against all drill teams in the statewide competition at Kentridge March 19.

They have had various fund raising events to earn money for the conference in March and to help support other various activities.

The E.H.S. band department is a well organized group of talented musicians. They are always willing to try the hardest of compositions. Throughout the year the bands are continually raising funds to help with the many expenses when attending competition meets with other schools, sometimes hundreds of miles away. The band even devotes time and effort to play the music for the annual operetta the choir department puts on. They also have a marching band which along with everything else plays and marches in the many parades throughout Snohomish county. The band department is truly one of outstanding spirit and sportsmanship.

FEAST

Contradictory to your thoughts about FEAST, it is not all work. Included with the criteria of the class, there is also field trips taken to various restaurants; for instance, the Elk's and the Yacht club. FEAST Fair, which is held every year at the Seattle Center, and even a FEAST competition! This is a state wide competition between other FEAST classes in their Junior and Senior year of high school. Last year, it was held at Pasco, Washington and the class got to spend the weekend at a hotel and had a lot of fun. All this is what makes FEAST an enjoyable, worthwhile class.

Volunteens, a high school organization sponsored by the American Red Cross involves young people from ages 14-16. The students volunteer their time, a few hours a week, at local hospitals and nursing homes. The volunteens have an opportunity to serve in various hospital departments, run errands, pass trays, deliver flowers, play with children, visit patients, etc. This experience helps patients and the hospitals and enables students to explore various medical careers. Everett High School advisor is Dixie Hasslo.

Deutscher Klub

German Club is an organization for all students studying German or who are interested in Germany or the German language. Mrs. Kelly Barker and Mr. Dan Olsen are the advisors. Some of this years activities have been our Christman party where we exchanged gifts, played Der Weihnachtswinker, a winking game and did the bump, and our Valentines Day party where we did the hustle, bump, and you name it. We have sold German chocolate candies and Advents Calendars and had a very successful carwash. Our Deutscher Klub tee-shirts are coming soon and we are planning a trip to Vancouver.

Torch Honor is a club Comprized of students with a accumulated grade point average of 3.25 or above. Mr. Joel Branham is the advisor of the Torch Honor Club and has been for a number of years. Club members have flower sales, candy sales, and many other fund raising activities. The funds raised go to help with the furnishing of the student lounge and to offer a lucky student a Scholarship in the spring. This club really is one of the best examples of working to do something good for your school and community.

Teen Family

The Teen Family Class has a very important and honorable place in our school program. The basic objective of this class is to provide students, who have small children or are pregnant, an opportunity to continue their education and meet the requirements for graduation. This class also helps young women acquire the knowledge and skills of homemaking and consumer education necessary to maintain a home. This class is truly a necessary one for the students and public alike.

Photo 1-Time from class is often taken to feed a young one. Photo 2-Eating well we see! Photo 3-These students have found that the work here is just as hard and demanding as the work in a regular class room.

Bowling Club

1

The bowling team had a real good turnout again this year.

They may not hold first place in standings, but at this time, some of the students hold individual high game and high series and also high team game and series.

They have all shown alot of talent and also good sportsmanship.

Nice bowling and good luck to all the seniors on the team who will not be with us next year. Let's hope to see the rest of the team back along with alot of new faces to take part in the bowling team.
